

blush HAUS OF BEAUTÉ

The logo features the word 'blush' in a lowercase, rounded, sans-serif font. Each letter is composed of multiple parallel lines in a light pinkish-brown color, creating a sense of depth and movement. The 'b' has a thick vertical stem and a rounded bottom. The 'l' is a simple vertical bar. The 'u' has a thick vertical stem and a rounded bottom. The 's' is formed by a series of overlapping, curved lines. The 'h' has a thick vertical stem and a rounded top. To the right of 'blush', the words 'HAUS OF BEAUTÉ' are written in a smaller, uppercase, sans-serif font, centered vertically relative to the 'l' and 'u'.

extensions.

from adding color accents, volume and length, to a complete makeover, this is for all hair types—fine, thin and slow-growing. if you want volume or length, our extensions are made of the highest quality hair, with structure similar to that of an american or european. our hair comes from india and is available in 40 colors, customizable with different colors to match or add the perfect accent. strands are bonded to your hair using a natural component with a molecular structure very similar to that of human hair. bonds are strong enough for everyday brushing and styling and are

virtually undetectable, matching the extension itself. removal is simple. with proper care, these extensions can last from 4-6 months.
